OCEANS OF HOPE CHALLENGE

TURKEY 2016

AN OCEANS OF HOPE ENDORSED SAILING WEEK

SATURDAY 30TH APRIL - SATURDAY 7TH MAY 2016

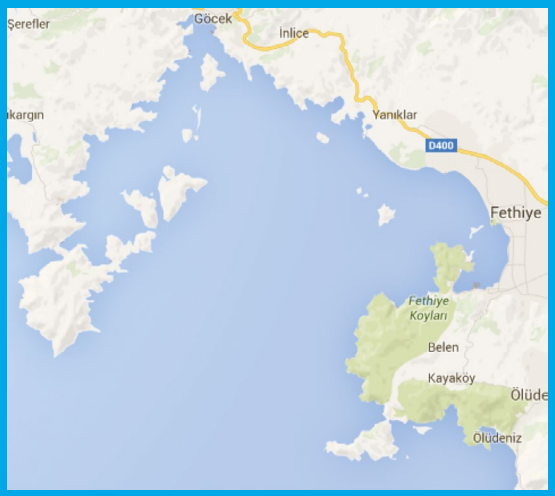
Robert Munns sailed half way across the Pacific Ocean aboard Oceans of Hope – the first yacht to circumnavigate the world crewed by people living with Multiple Sclerosis. Rob has now organised a fabulous week of flotilla sailing in Turkey, available to anyone who lives with MS. Whether you have sailed before or not this an opportunity not to be missed!

Five yachts have been chartered with six places for people with MS available aboard each, for a week of sun-kissed challenge and discovery in the Bay of Fethiye, Turkey.

SAILING IN THE BAY OF FETHIYE

This large bay provides ample opportunity for some fantastic, safe sailing with plenty of time factored in to explore local history and culture, socialise together, relax, swim in the warm Mediterannean waters and enjoy some fabulous Turkish cuisine.

The flotilla will sail together and moor up together. Each day there will be a few hours of sailing in the benign, pleasant conditions. Each night the yachts will either anchor in one the Bay's beautiful, tranquil coves or berth in one of the numerous marinas nearby.



THE YACHTS

The charter yachts are fully equipped with safety equipment and all mod cons to make your stay onboard as comfortable as possible.

Each yacht will have a qualified skipper to assist the crews in achieving their goals, helping them navigate and to get everything they want from the experience.

You can get involved, learn to sail, learn to sail better or simply relax and enjoy the sun, sea, scenery and company. Each yacht has a number of cabins, mostly with two bunks – if you come alone you will make a host of new friends, but be aware you will need to share a cabin.

Everyone will get involved in preparing meals aboard the yachts – there is nothing better than enjoying great food and great company sitting in the cockpit of a yacht under the sun or the stars.

LOGISTICS

The nearest airport is Dalaman, Turkey. Easy Jet, Thomas Cook and numerous other airlines fly there from the UK. Transfer from the airport to the marina is best done by taxi.

The start and finish marina is in the port of Gocek.

Check-in on the yachts is from 1500hrs on Saturday 30th April.

Check-out from the yachts is at 1000hrs on Saturday 7th May.

If you arrive early there are plenty of great places to hang out near the marina.

At check-in time your skipper will meet you aboard the yacht. A full itinerary will be provided to you once you have confirmed your place.
